Above is the cleaning schedule for the coming year. We now have a small clipboard hanging in the choir room that you can jot down messages concerning equipment or needed supplies. Lately we have noticed that the lightweight vacuums will not start up right away after they have been turned off. It might be best to just keep them on until all cleaning is done. You can remind your team members that this cleaning schedule is also posted on the Church's website. This upcoming year, we will have a spring and a fall major cleaning of the Church. This way we can clean areas that we don't have time to get during our weekly cleaning duties. I will let each team captain know when this will happen. **THANK YOU FOR ALL YOU DO!!**
