Scrip is fundraising while you shop! You can buy gift cards for over 780 retailer brands you already shop at and earn a rebate on every gift card you purchase at face value. That rebate goes right to our organization, and we can divvy up the earnings to be most beneficial to our school, including giving a portion back to you! Stop and speak with the Scrip seller after Mass or call Deanna 432-1971 to have all your questions answered. [www.shopwithscrip.com](http://www.shopwithscrip.com)

### **Building Project Update**

We have been meeting on a regular basis to work through the initial stages of the design phase of our building project. Many thanks to all of the folks who offered input in the development of our "Building Program". We knew from the outset that our 'wish list' and our budget would demand some careful massaging so that we could design a project that both serves our needs and at the same time fits within our budget. When we did the first pass through with our wish list the cost estimation came out to about 3.7 million dollars; well above our budget of 2.5 million dollars. This led us to a long and careful discussion about the wisdom of either borrowing the money to complete the dream project or cutting the project scope and/or deferring parts of the building program to a later date. We have come to the firm and unanimous conclusion that this phase of the building program must stay within our budget of 2.5 million dollars. We have trimmed the program as much as possible and have asked that several meeting rooms, some of the offices and a day chapel be designed but not included in this phase of the project. We continue to thank the members of the building committee for their hard work and the beautiful way that they are taking very seriously their responsibility as stewards of this important project.

### **Thank You**

A special thanks to all who helped with the reception after the 8:30 Mass in St. John's at Ogden. The food was wonderful! From the cooks, to servers, and other volunteers, you all did a great job. I am especially grateful to those of you who were able to attend and say "hello". The high turnout was great for fellowship, and it also gave me another chance to meet many of you (and to try to remember your names!!!) I look forward to getting to know each of you better throughout my time here in Boone County! ~Fr. Ross
